

I believe the great American Will Rogers once said, "I went to a hockey game and a fight broke out...., or maybe he said, "I went to a fight and a hockey game broke out...."

Concern number one. Who has been choosing the NFL Superbowl Halftime entertainment?? The FCC during J. Edgar Hoover's tenor had no difficulty defining obscenity. It's either a football game, or a football game.

And yes, most thinking, caring, and compassionate Americans know that Music should be better. That is one defining indicator of our state of a reality check. I know and you know that music should be better than what we are hearing today.

Paul McCartney received some award recently at the grammy's, and there were articles and discussion on social media as to who Paul McCartney was....most younger generation American brought up in this vile, obscene culture of NFL superbowl halftime entertainment, have never heard of Paul McCartney. One Los Angeles music industry executive attributed this to the noise floor level of modern music....

I know and you know that music in 2012, American music and music around the globe should be better than what we are producing and listening to.

The point where we Americans crossed the threshold of "Music should be better...", was around the time disco music and Punk Rock came into being, around 1976. Sid Vicious music was the crossing point where we entered the gulf, and threshold of "music should be better....". NFL Superbowl is about football, not the vicious, vulgar, vile, obscene NFL football halftime entertainment.

"I went to a porn show, and an NFL Superbowl Football game broke out...."

Dawn (Go Away) - Frankie Valli and the Four Seasons

â€œPretty as a midsummers morn, they call her Dawn  
Dawn, go away I'm no good for you  
Oh, Dawn, stay with him he'll be good to you  
Hang on, Hang on to him  
Think, what a big man he'll be  
Think, all the places you'll see  
Now think what the future would be  
with a poor boy like me

Dawn go away, please go away

Although I know I want you to stay  
Dawn go away, please go away  
Baby don't cry, it's better this way

Oh Dawn go away, back where you belong  
Girl we can't change the places  
where we were born  
Before you say that you want me

I want you to think what your family would say  
think what you're throwing away  
Now think what the future would be  
Dawn, go away I'm no good for you....

“Daydream Believer” lyrics  
(Peter Tork, Michael Nesmith, Davy Jones)

“Oh, I could hide 'neath the wings of the bluebird as she sings  
The six o'clock alarm would never ring  
But it rings and I rise wipe the sleep out of my eyes  
The shavin' razor's cold, and it stings

Cheer up, sleepy Jean, oh what can it mean  
To a daydream believer and a homecoming queen

You once thought of me as a white knight on his steed  
Now you know how happy I can be  
Oh, and our good times start and end without dollar one to spend  
But how much baby do we really need

Cheer up, sleepy Jean, oh what can it mean  
To a daydream believer and a homecoming queen

Cheer up, sleepy Jean, oh what can it mean  
To a daydream believer and a homecoming queen

Cheer up, sleepy Jean, oh what can it mean  
To a daydream believer and a homecoming queen  
Cheer up, sleepy Jean, oh what can it mean  
To a daydream believer and a homecoming queen

Cheer up, sleepy Jean, oh what can it mean  
To a daydream believer and a homecoming queen....â€

â€œExpressions of Your Loveâ€  
(Rebecca St James)

â€œA symphony of color  
Painted on a Western Sky  
The thunder roars and the rain it falls  
Over fields, over streams, over us, you're  
over us...  
Expressions of Your Glory  
Expressions of Your Heart  
In all You are  
You speak to Us  
Expressions of Your Love

A message sent from Heaven  
Walked among us as a man  
The Son of God and Light of the world  
Lord divine, crucified, (and) made alive,  
You're alive...

(Chorus)(Rebecca St James)

You speak to us

(Rebecca St James)  
Oh Jesus make me  
An expression of Youâ€™.

â€™White Rabbitâ€™ Lyrics

(Grace Slick)

â€™One pill makes you larger  
And one pill makes you small  
And the ones that mother gives you  
Don't do anything at all  
Go ask Alice  
When she's ten feet tall  
And if you go chasing rabbits  
And you know you're going to fall  
Tell 'em a hookah smoking caterpillar  
Has given you the call  
Call Alice  
When she was just small  
When men on the chessboard  
Get up and tell you where to go  
And you've just had some kind of mushroom  
And your mind is moving slow  
Go ask Alice  
I think she'll know  
When logic and proportion  
Have fallen sloppy dead  
And the White Knight is talking backwards  
And the Red Queen's "off with her head!"  
Remember what the door mouse said;  
Feed your head  
Feed your headâ€™."

œLamb of Godœ- Lyrics

Performed by Rebecca St. James

I hear the voice of many people

I hear a voice like mighty thunder

Singing Hallelujah for the Lord he reigns

Singing Hallelujah for the Lord he reigns

CHORUS:

Lamb of God, Holy

Lord You are Holy

Lamb of God, Holy

You are Holy

CHORUS

So let us be glad, let us rejoice

And let us give honor, glory to the Lord

And may every tribe and every tongue

Gather and sing praises to the Holy One

PS-

Yes, Eli Manning should have chosen San Diego instead of New York City to play quarterback, and yes, if Glenn was Eli Manning, I wouldn't want my reputation tarnished in the Lamb's Book of Life. A Role Model as an athlete on the same 'stage' as Madonna and Janet stripping and jumping up and down.

It's either or. Eli aint no roll model for American youth if Janet and Madonna are jumping and dance wailing to Sid Vicious music tempo and Sid Vicious rhythm....
